FOR IMMEDIATE RELEASE—February 5, 2014

ALBUQUERQUE – The New Mexico Department of Transportation has announced that the new Domingo Baca Road will open the weekend of February 7th, 2014 so that area motorists can get used to the new road. A week later, the weekend of February 14th, 2014, the frontage road north of Paseo Del Norte frontage road will close with motorists detoured to two-way traffic on the new Domingo Baca Road from Jefferson Road NE (see map below).

The closure is needed so that the contractor can continue construction on Paseo Del Norte and Jefferson Road. Access will be maintained to all local businesses. The detour is expected to be in place through October 2014.

Businesses in the area will be provided with detour maps that they can share with customers and vendors in advance, and the construction team will work with affected businesses to ensure their customers have access.

The Paseo Del Norte/I-25 Interchange Reconstruction Project is a project of the New Mexico Department of Transportation in partnership with the Federal Highway Administration, City of Albuquerque and Bernalillo County and in cooperation with the Mid-Region Council of Governments. Construction on the Project is expected to be completed in December 2014. Individuals can sign up for free text or email updates by visiting www.paseoi25.com.

All construction for the Project is subject to change without notice and is based on weather conditions.
